

P.Cert.: Buildings Study

Content Area: **Pre-School**
Course(s):
Time Period: **May**
Length: **5-6 weeks**
Status: **Published**

Unit Overview

This unit is the study of buildings in 5 week long Investigations.

Children will expand their knowledge and understanding of building materials and physical forces.

Enduring Understandings

Buildings are everywhere.

People build buildings.

Buildings play a role in our community.

Essential Questions

What do the buildings in our neighborhood and in other places look like?

Who builds buildings? What tools do they use?

What are the buildings made of?

What makes them strong?

What is special about our building?

What happens inside of buildings?

Instructional Strategies & Learning Activities

Week of:

Teacher:

Study: Buildings

Exploring the Topic: What do we know about buildings? What do we

want to find out?

	Monday	Tuesday	Wednesday	Thursday	Friday
Interest Areas	Library: books about building and construction Blocks: pictures of buildings Computer: ebook version of <i>The Three Little Pigs</i>	Art: pictures of buildings Computer: ebook version of <i>The Three Little Pigs</i>	Toys and Games: different kinds of open-ended connecting blocks	Blocks: pictures of buildings Computer: ebook version of <i>The Three Little Pigs</i>	Art: magazines with pictures of buildings; scissors Computer: ebook version of <i>The Three Little Pigs</i>
Large Group	Song: “Scat Singing” Discussion and Shared Writing: Taking a Look at Buildings	Game: Going on a Journey Discussion and Shared Writing: Exploring Our Building	Poem: “A Building My Size” Discussion and Shared Writing: Parts of Buildings	Movement: Skating Discussion and Shared Writing: What We Know About Buildings	Poem: “A Building My Size” Discussion and Shared Writing: What Do We Want to Find Out About Buildings?
Read-Aloud	<i>The Three Little Pigs</i>	<i>The Three Little Pigs</i>	<i>Changes, Changes</i>	<i>The Three Little Pigs</i>	<i>Keep Counting</i>
Small Group	Option 1: More or Fewer Towers Option 2: Which Has More?	Option 1: Dinnertime Option 2: Let’s Go Fishing	Option 1: Counting & Comparing Option 2: Counting &	Option 1: Alphabet Cards Option 2: Buried Treasures	Option 1: Dramatic Story Retelling Option 2: Clothesline Storytelling

			Comparing		
Outdoor Experiences: Large Outdoor Blocks; Hopping					
Family Partnerships: Send home a letter to families introducing the study. Invite families to contribute pictures of buildings in their neighborhoods. Invite family members to accompany the class on the neighborhood walk next week. Invite families to access the ebooks, <i>The Three Little Pigs</i> and <i>Keep Counting</i> .					
Wow! Experiences: Tuesday—A walk around the outside of your school building

Outdoor Experiences: Continuing to Observe a Building’s Shadow; Follow the Leader

Family Partnerships: We are asking families to bring in large, empty boxes for children to use to construct building investigation. Also, please access the ebook, *Build It From A to Z*.

Wow! Experiences: Tuesday—A walk around the neighborhood to investigate the materials used to construct buildings and identify problems

Integration of 21st Century Themes and Career Exploration

Performing assigned classroom jobs and duties

CRP.K-12.CRP2	Apply appropriate academic and technical skills.
CRP.K-12.CRP4	Communicate clearly and effectively and with reason.
CRP.K-12.CRP8	Utilize critical thinking to make sense of problems and persevere in solving them.
CRP.K-12.CRP1	Act as a responsible and contributing citizen and employee.
CRP.K-12.CRP12	Work productively in teams while using cultural global competence.

Technology Integration

Students will interact with SmartBoard activities.

Students will interact with read-aloud texts both individually and as a large group.

Use of Shutterfly Share Site

Utilize programs on the iPad

Watch and interact with SchoolTube videos.

TECH.PK.8.4.1	Use basic technology terms in conversations (e.g. digital camera, battery, screen, computer, Internet, mouse, keyboard, and printer).
TECH.PK.8.2.5	Operate frequently used, high quality, interactive games or activities in either screen or toy-based formats.
TECH.PK.8.2.3	Turn smart toys on and/or off.
TECH.PK.8.2.2	Access materials on a disk, cassette tape, or DVD. Insert a disk, cassette tape, CD-ROM, DVD, or other storage device and press “play” and “stop.”

Interdisciplinary Connections

Units are interdisciplinary throughout the curriculum.

MA.PK.4.3	Children begin to conceptualize measurable attributes of objects.
MA.PK.4.4	Children develop spatial and geometric sense.
AL.PK.9.4	Children apply what they have learned to new situations.
SFLS.PK.6.3.1	Develop an awareness of the physical features of the neighborhood/community.
AL.PK.9.1	Children demonstrate initiative, engagement, and persistence.
HPE.PK.2.3.2	Develop an awareness of warning symbols and their meaning (e.g., red light, stop sign, poison symbol, etc.).
MA.PK.4.1.5	Use one to one correspondence to solve problems by matching sets (e.g., getting just enough straws to distribute for each juice container on the table) and comparing amounts (e.g., collecting the number of cubes needed to fill the spaces in a muffin tin with one cube each).
AL.PK.9.2	Children show creativity and imagination.
MA.PK.4.4.1	Respond to and use positional words (e.g., in, under, between, down, behind).
MA.PK.4.1	Children begin to demonstrate an understanding of number and counting.
MA.PK.4.2	Children demonstrate an initial understanding of numerical operations.
AL.PK.9.3	Children identify and solve problems.
SFLS.PK.6.2.3	Demonstrate appropriate behavior when collaborating with others.

Differentiation

Students will be offered support and challenges as deemed appropriate.

Modifications & Accommodations

Pre-school has multiple identification processes and services for students needing support.

Benchmark Assessments

Teacher created benchmark assessment

Formative Assessments

Teacher observation

Summative Assessments

Anecdotal record keeping

Instructional Materials

See items located in lesson plans above.

Standards

ELA.PK.RI.PK.4	With prompting and support, ask and answer questions about unfamiliar words in informational text.
SOC.PK.6.4	Children develop an awareness of the cultures within their classroom and their community.
SOC.PK.6.3.1	Develop an awareness of the physical features of the neighborhood/community.
SOC.PK.6.4.1	Learn about and respect other cultures within the classroom and community.
ELA.PK.RL.PK.1	With prompting and support, ask and answer key elements in a familiar story or poem.
ELA.PK.RL.PK.2	With prompting and support, retell familiar stories or poems.
ELA.PK.RL.PK.7	With prompting and support, using a familiar storybook, tell how the illustrations support the story.
SCI.PK.5.1.1	Display curiosity about science objects, materials, activities, and longer-term investigations in progress (e.g., ask who, what, when, where, why, and how questions during sensory explorations, experimentation, and focused inquiry).
SCI.PK.5.1.4	Communicate with other children and adults to share observations, pursue questions, make predictions, and/or conclusions.
ELA.PK.RI.PK.7	With prompting and support, tell how the illustrations support the text (information or topic) in informational text.
SCI.PK.5.1.5	Represent observations and work through drawing, recording data, and “writing” (e.g., drawing and “writing” on observation clipboards, making rubbings, charting the growth of plants).
ELA.PK.RL.PK.10	Actively participate in read aloud experiences using age appropriate literature in individual, small and large groups.
ELA.PK.RI.PK.2	With prompting and support, recall important facts from a familiar text.
ELA.PK.RL.PK.4	With prompting and support, ask and answer questions about unfamiliar words in a story or poem read aloud.
ELA.PK.RL.PK.5	Recognize common types of literature (storybooks and poetry books).
ELA.PK.RI.PK.3	With prompting and support, make a connection between pieces of essential information in a familiar text.

ELA.PK.RI.PK.5

Identify the front and back cover of a book.

ELA.PK.RI.PK.6

With prompting and support, identify the role of author and illustrator in presenting ideas in informational text.

SCI.PK.5.1.2

Observe, question, predict, and investigate materials, objects, and phenomena during classroom activities indoors and outdoors and during any longer-term investigations in progress. Seek answers to questions and test predictions using simple experiments or research media (e.g., cracking a nut to look inside; putting a toy car in water to determine whether it sinks).
