Content Area: **Pre-School**  
Course(s):  
Time Period: **September**  
Length: **5-6 weeks**  
Status: **Published**

## Unit Overview

---

This unit explores the first days of school. Some children with prior experience in group settings may have learned the skills needed to be members of a classroom community. For the other children, preschool may be their first experience away from home or in a group.

## Enduring Understandings

---

We need to learn names of people and things at school.

We need to learn to be able to know what to do if we feel sad or scared

We have rules to follow at school.

Different things happen at different times at school.

Different adults have different jobs at school.

We can make friends at school.

We can be a part of a group at school.

## Essential Questions

---

What names do we need to know at school?

What should we do if we get sad or scared at school?

What are our rules?

When do things happen at school?

Who works at our school?

How do we make and keep friends?

How can we be a part of a group?

What sounds do we hear at school and where do they come from?
