## Unit Overview

This unit explores the first days of school. Some chidlren with prior experience in group settings may have learned the skills needed to be members of a classroom community. For the other children, preschool may be their first experience away from home or in a group.

## Enduring Understandings

We need to learn names of people and things at school.
We need to learn to be able to know what to do if we feel sad or scared
We have rules to follow at school.
Different things happen at different times at school.
Different adults have different jobs at school.
We can make friends at school.
We can be a part of a group at school.

## Essential Questions

What names do we need to know at school?
What should we do if we get sad or scared at school?
What are our rules?
When do things happen at school?
Who works at our school?
How do we make and keep friends?
How can we be a part of a grpup?
What sounds do we hear at school and where do they come from?

Teacher:

Focus Question: 1.What names do we need to know at school?

|  | Monday | Tuesday | Wednesday | Thursday | Friday |
| :--- | :--- | :--- | :--- | :--- | :--- |
| Interest <br> Areas | All: basic materials | All: basic materials | All: basic <br> materials | All: basic <br> materials | Art: mirrors; <br> collage <br> materials |

Outdoor Experiences: Introducing the Playground

Family Partnerships: We'd like to invite family members to join the class for a walk around the school on Friday to learn the names of different places here. Please bring in family photos to display in the classroom. Also, please access the ebook, Anansi and His Children.
Wow! Experiences: Friday-A walk around the school to learn the names of different places

Show curiosity and initiative by choosing to explore a variety of activities and experiences with a willingness to try new challenges (e.g., choosing harder and harder puzzles).

Focus attention on tasks and experiences, despite interruptions or distractions (e.g., working hard on a drawing even when children nearby are playing a game).

Children show creativity and imagination.
Children identify and solve problems.
Children apply what they have learned to new situations.
Children develop self-help and personal hygiene skills.
Children develop competence and confidence in activities that require gross- and finemotor skills.

Children demonstrate an understanding of numbers and numerical operations.
Demonstrate understanding of one-to-one correspondence (e.g., put one placemat at each place, give each child one cookie, place one animal in each truck, hand out manipulatives to be shared with a friend, saying "One for you, one for me."):

Children develop knowledge of spatial concepts (e.g., shapes and measurement).
Children understand patterns, relationships, and classification.
Children develop inquiry skills.
Children identify unique characteristics of themselves, their families, and others.
Children become contributing members of the classroom community.
Children demonstrate knowledge of neighborhood and community.
Children develop an awareness of the cultures within their classroom and their community.

Children express themselves through and develop an appreciation of creative movement and dance.

Children express themselves through and develop an appreciation of music.
Children express themselves through and develop an appreciation of dramatic play and storytelling.

Children express themselves through and develop an appreciation of the visual arts (e.g., painting, sculpting, and drawing).

## Differentiation

Students will be offered support and challenges as deemed appropriate.

## Modifications \& Accommodations

Pre-school has multiple identification processes and services for students needing support.

## Formative Assessments

Teacher observation

## Summative Assessments

## Anecdotal record keeping

## Instructional Materials

See items located in lesson plans above.

With prompting and support, recall important facts from a familiar text.
With prompting and support, make a connection between pieces of essential information in a familiar text.

With prompting and support, tell how the illustrations support the text (information or topic) in informational text.

With prompting and support, ask and answer key elements in a familiar story or poem.
With prompting and support, retell familiar stories or poems.
Actively participate in read aloud experiences using age appropriate literature in individual, small and large groups.

Express individuality by making independent decisions about which materials to use.
Express ideas for activities and initiate discussions.
Actively engage in activities and interactions with teachers and peers.
Discuss their own actions and efforts.
Make independent choices and plans from a broad range of diverse interest centers.
Demonstrate self-help skills (e.g., clean up, pour juice, use soap when washing hands, put away belongings).

Move through classroom routines and activities with minimal teacher direction and transition easily from one activity to the next.

Attend to tasks for a period of time.
Recognize and describe a wide range of feelings, including sadness, anger, fear, and happiness.

Empathize with feelings of others (e.g., get a blanket for a friend and comfort him/her when he/she feels sad).

Channel impulses and negative feelings, such as anger (e.g., taking three deep breaths, using calming words, pulling self out of play to go to "safe spot" to relax, expressive activities).

Engage appropriately with peers and teachers in classroom activities.
Demonstrate socially acceptable behavior for teachers and peers (e.g., give hugs, get a tissue, sit next to a friend/teacher, hold hands).
Say "thank you," "please," and "excuse me."
Respect the rights of others (e.g., "This painting belongs to Carlos.").
Express needs verbally or nonverbally to teacher and peers without being aggressive (e.g., "I don't like it when you call me dummy. Stop!").

Demonstrate verbal or nonverbal problem-solving skills without being aggressive (e.g., talk about a problem and related feelings and negotiate solutions).
Play independently and cooperatively in pairs and small groups.
Demonstrate how to enter into play when a group of children are already involved in play.
Demonstrate understanding the concept of sharing by attempting to share.
