

# Nov. K. P.E. Tag Games / Boundary Lines

Content Area: **P.E.**  
Course(s):  
Time Period: **November**  
Length: **3-4 Weeks**  
Status: **Published**

## **Unit Overview**

---

Students will familiarize themselves with using personal space, boundaries, listening cues, using manipulatives safely, and decision making / strategies for game play.

## **Enduring Understandings**

---

Students will be able to verbalize and demonstrate how properly using boundary lines and personal space transfers understanding to various game situations.

## **Essential Questions**

---

How do boundary lines create fair play?

What is the proper and safe way to tag another individual?

What strategies can be used to tag or dodge in a game situation?

## **Instructional Strategies & Learning Activities**

---

Activities may include but are not limited to:

Swim Fishy Swim

British Bulldog

Number Game

Pac Man

Freeze/Unfreeze

Turtle Tag

Fire Alarm

Mr. Fox

## **Integration of Career Readiness, Life Literacies and Key Skills**

---

WRK.9.1.2.CAP	Career Awareness and Planning
TECH.9.4.2.CI	Creativity and Innovation
TECH.9.4.2.CI.1	Demonstrate openness to new ideas and perspectives (e.g., 1.1.2.CR1a, 2.1.2.EH.1, 6.1.2.CivicsCM.2).
TECH.9.4.2.CI.2	Demonstrate originality and inventiveness in work (e.g., 1.3A.2CR1a).
TECH.9.4.2.CT	Critical Thinking and Problem-solving
TECH.9.4.2.CT.3	Use a variety of types of thinking to solve problems (e.g., inductive, deductive). Different types of jobs require different knowledge and skills. Critical thinkers must first identify a problem then develop a plan to address it to effectively solve the problem. Brainstorming can create new, innovative ideas.

## **Technology and Design Integration**

---

No technology necessary for this unit.

## **Interdisciplinary Connections**

---

LA.SL.K.1.B	Continue a conversation through multiple exchanges.
LA.SL.K.3	Ask and answer questions in order to seek help, get information, or clarify something that is not understood.
LA.SL.K.6	Speak audibly and express thoughts, feelings, and ideas clearly.
MA.K.G.A.1	Describe objects in the environment using names of shapes, and describe the relative positions of these objects using terms such as above, below, beside, in front of, behind, and next to.
MA.K.G.A.2	Correctly name shapes regardless of their orientations or overall size.
MA.K.CC.A.1	Count to 100 by ones and by tens.
MA.K.CC.A.2	Count forward beginning from a given number within the known sequence (instead of having to begin at 1).
SOC.6.1.4.A.1	Explain how rules and laws created by community, state, and national governments protect the rights of people, help resolve conflicts, and promote the common good.

## **Differentiation**

---

- Understand that gifted students, just like all students, come to school to learn and be challenged.
- Pre-assess your students. Find out their areas of strength as well as those areas you may need to address before students move on.
- Consider grouping gifted students together for at least part of the school day.
- Plan for differentiation. Consider pre-assessments, extension activities, and compacting the curriculum.
- Use phrases like "You've shown you don't need more practice" or "You need more practice" instead of words like "qualify" or "eligible" when referring to extension work.
- Encourage high-ability students to take on challenges. Because they're often used to getting good grades, gifted students may be risk averse.
  
- **Definitions of Differentiation Components:**
  - Content – the specific information that is to be taught in the lesson/unit/course of instruction.
  - Process – how the student will acquire the content information.
  - Product – how the student will demonstrate understanding of the content.
  - Learning Environment – the environment where learning is taking place including physical location and/or student grouping

### **Differentiation occurring in this unit:**

Differentiation will be made according to individual IEP's and 504's.

## **Modifications & Accommodations**

---

Refer to QSAC EXCEL SMALL SPED ACCOMMODATIONS spreadsheet in this discipline.

### **Modifications and Accommodations used in this unit:**

Modifications and accommodations will be made according to IEP and 504.

## **Benchmark Assessments**

---

**Benchmark Assessments** are given periodically (e.g., at the end of every quarter or as frequently as once per month) throughout a school year to establish baseline achievement data and measure progress toward a standard or set of academic standards and goals.

### **Schoolwide Benchmark assessments:**

Aimsweb benchmarks 3X a year

Linkit Benchmarks 3X a year

DRA

### **Additional Benchmarks used in this unit:**

Observation of students ability within individual lessons to demonstrate appropriate use of boundary lines and tagging techniques in lesson activities and in game situations using self-correcting after being reminded of appropriate use of manipulatives and techniques.

## **Formative Assessments**

---

Assessment allows both instructor and student to monitor progress towards achieving learning objectives, and can be approached in a variety of ways. **Formative assessment** refers to tools that identify misconceptions, struggles, and learning gaps along the way and assess how to close those gaps. It includes effective tools for helping to shape learning, and can even bolster students' abilities to take ownership of their learning when they understand that the goal is to improve learning, not apply final marks (Trumbull and Lash, 2013). It can include students assessing themselves, peers, or even the instructor, through writing, quizzes, conversation, and more. In short, formative assessment occurs throughout a class or course, and seeks to improve student achievement of learning objectives through approaches that can support specific student needs (Theal and Franklin, 2010, p. 151).

### **Formative Assessments used in this unit:**

Observation of students ability to demonstrate appropriate use of boundary lines and tagging techniques in game situations with minimal reminders.

## **Summative Assessments**

---

**summative assessments** evaluate student learning, knowledge, proficiency, or success at the conclusion of an instructional period, like a unit, course, or program. Summative assessments are almost always formally graded and often heavily weighted (though they do not need to be). Summative assessment can be used to great effect in conjunction and alignment with formative assessment, and instructors can consider a variety of

ways to combine these approaches.

**Summative assessments for this unit:**

Observation of students ability to demonstrate appropriate use of boundary lines and tagging techniques in game situation without reminders.

**Instructional Materials**

---

Materials include but are not limited to:

Lines on gym floor

Cones

Noodles

Pinnies

Scooters

Scarves

**Standards**

---

HE.K-2.2.1.2.EH.2	Identify what it means to be responsible and list personal responsibilities.
HE.K-2.2.1.2.EH.3	Demonstrate self-control in a variety of settings (e.g., classrooms, playgrounds, special programs).
HE.K-2.2.1.2.EH.4	Demonstrate strategies for managing one's own emotions, thoughts and behaviors.
HE.K-2.2.2.2.PF.2	Explore how to move different body parts in a controlled manner.
HE.K-2.2.2.2.PF.3	Engage in moderate to vigorous age-appropriate physical movement and physical

activities that promote movement (e.g., games, challenges, team building).

HE.K-2.2.2.2.MSC.1

Perform a combination of sequences of locomotor movements and rhythmic activities (e.g., walking, balancing, hopping, skipping, running).

HE.K-2.2.2.2.MSC.2

Differentiate non-locomotor and locomotor movements as well transferring body weight (e.g., stretching, bending, twisting, curling).

HE.K-2.2.2.2.MSC.3

Demonstrate manipulative movements (e.g., throwing, catching, dribbling, running, kicking) while moving in personal and general space, time, directions, pathways and ranges.

HE.K-2.2.2.2.MSC.4

Differentiate manipulative movements (e.g., throwing, catching, dribbling).

HE.K-2.2.2.2.MSC.5

Adjust and correct movements and skill in response to feedback.

HE.K-2.2.2.2.MSC.6

Execute appropriate behaviors and etiquette while participating in activities, games, sports, and other events to contribute to a safe environment.

HE.K-2.2.2.2.MSC.7

Demonstrate kindness towards self and others during physical activity to create a safe and caring environment.
