

# Unit 3-The American Revolution

Content Area: **Social Studies**  
Course(s): **Social Studies 5**  
Time Period: **Marking Period 3**  
Length: **Marking Period 3**  
Status: **Published**

## Essential Questions

---

- What is worth fighting for?

## Big Ideas

---

- The slave labor system and the loss of Native American lives had a lasting impact on the development of the United States and American culture.
- People can stand up for what they believe.
- Many American colonists united in the common goal of freedom and were willing to fight for it.
- Political change can have costs and benefits for different groups.
- There are universal rights that all people share.

## Cross-Curricular Integration

---

**Integration Area:** Language Arts

W.5.8. Recall relevant information from experiences or gather relevant information from print and digital sources; summarize or paraphrase information in notes and finished work, and provide a list of sources.

### Activity:

Students will conduct a research project on a person or event from the American Revolution. Students will provide a list of sources for their project.

## African American History Studies

---

**Articles from African American History-The Untold Stories**

### Heroism

The French and Indian War is known as one of the first battles leading to the American Revolution. This

article is about Jean DuSable. Although they were fighting over land, he was showing his support for the United States and was arrested. This article explains how he contributed to the present day United States.

### **Crispus Attucks Speaks**

After the students learn about the Boston Massacre, they will read about Crispus Attucks who was killed during this event. The students will compare the different points of view in the book and article.

### **Heroism - Black History Month**

While learning about the American Revolution, the students will read this article about many African American heroes during this time. This article describes who and what side these heroes were fighting for.

## **CSDT Technology Integration**

---

8.1.5.DA.1: Collect, organize, and display data in order to highlight relationships or support a claim.

### **Activity:**

Students will research information using the internet and print sources on the events that led to the American Revolution. Students will be walked through how to check the reliability, cite, and use online sources. They will then use the information gathered to create a digital poster or slideshow with graphics, explaining the events in the order in which they happened. Students will present their work to classmates and/or adults in classroom celebration.

## **Enduring Understandings**

---

### **6.1 U.S. History: America in the World by the End of Grade 5**

#### **History, Culture, and Perspectives: Continuity and Change**

6.1.5.HistoryCC.10 [M]: Analyze the power struggle among European countries and determine its impact on people living in Europe and the Americas.
