Unit 3: Digital Citizenship

Content Area: **Library**
Course(s): **Library 1**
Time Period: **Marking Period 2**
Length: **MP2**
Status: **Published**

Essential Questions

- How can the Internet connect me with others?

Big Ideas

- The Internet is a powerful tool that must be used safely
- The Internet can help you find information
- The Internet is a tool that can help me connect with others
- The information that you put online leaves a digital footprint or trail
- A digital footprint can be helpful or hurtful

CSDT Technology Integration

8.2.2.ITH.3: Identify how technology impacts or improves life

Activity:

Staying safe online is a lot like staying safe in the real world. Using a fun traffic light activity, students learn how to identify "just right" content, giving them the green light to learn, play, and explore the Internet safely.

CRLLKS- 21st Century

Core Idea: Digital communities allow for social interactions

that can result in positive or negative outcomes.

Connection: NJSL Standard/s: :9.4.2.DC.6: Identify respectful and responsible ways to communicate in digital environments.

CSDT Technology Connection

8.1.2.NI.3 Create a password that secures access to a device. Explain why it is important to create unique passwords that are not shared with others

Enduring Understandings

NJSLA

W.AW.1.1. With prompts and support, write opinion pieces on a topic or texts. Introduce an opinion. Support the opinion with facts or other information and examples related to the topic. Provide a conclusion.

W.WR.1.5. With prompting and support, generate questions through shared research about a topic and determine possible sources to obtain information on that topic.

AASL
