## Essential Questions

- How can I find reliable resources?

## Big Ideas

- Locate and access print and digital  information to research a planet of their choice
- Determine importance of information and validity of sources
- Take notes and cite sources
- Analyze and synthesize information to create an alien with adaptations that could survive on that planet
- Create a multimedia presentation to showcase alien with adaptations and explain how it will be able to survive

## Technology Integration

8.2.2.ED.3: Select and use appropriate tools and materials to build a product using the design process.

Activity: After researching plants students will design and construct and alien that can survive on a planet of their choice
