9.1.8.PB.5: Identify factors that affect one's goals, including peers, culture, location, and past experiences

Activity - Personal Identity Split-face Self Portrait - students learn about all parts of identity including culture, heritage, and race; to incorporate into their portrait.

## Diversity Integration

---

**Objective** - Students will explore and express their personal identities by creating a split-face self-portrait that incorporates elements of their culture, heritage, and race. This project aims to foster an understanding and appreciation of the diverse identities within the classroom, encouraging students to reflect on how these aspects shape their experiences and perspectives. By integrating these elements into their artwork, students

will gain insights into their own identity and the identities of their peers, promoting a respectful and inclusive classroom environment.
