## **Library Integration**

---

Objective:

Students will replicate and demonstrate policies and procedures that must be followed in the media center.

Activities:

- Students will be given a “review tour” of the media center.
- Students will work in groups to infer what it looks like, sounds like, and feels like to be in the media center.
- Students will work in groups to develop appropriate expectations for being in the media center

Objective:

Students will accurately follow procedures for borrowing and returning books to the media center.

Activities:

Teacher will introduce the online and in person procedures for borrowing and returning books. Students will spend time practicing navigating the online systems and practice borrowing and returning books.

## **Diversity Integration**

---

Objective:

SWBAT develop an awareness of the diversity & the events leading up to the 16th Street Baptist Church

bombing and its effect on the Civil Rights movement. SWBAT analyze MLK's letters from a Birmingham jail speech while diving deep into the empathy component of CARES, focusing on the diversity and lives of those who were at the jail and the participants of the protest afterwards.

Activities:

Students will do a quick write to respond to the following:

What do you know (or think you know) about how African American people were treated in the 1960s?

Students will then watch the video "Letters From a Birmingham Jail" and research the 16th Street Baptist Church bombing.

Whole class discussion on feelings and questions regarding the events of the Civil Rights movements.

Partner talk- how can we connect current social justice issues to times of the past

Students will create their digital slideshow in groups.

## **Technology Integration**

---

8.1.8DA.1: Organize and transform data collected using computational tools to make it usable for a specific purpose

8.1.8.DA.3: Identify the appropriate tool to access data based on its file format

8.1.8.DA.4: Transform data to remove errors and improve the accuracy of the data for analysis.

8.1.8.DA.5: Test, analyze, and refine computational models.

Activity:

[Civil Rights Timeline](#)-Using a variety of digital and print resources, students will locate specific information to support a timeline of significant events during the Civil Rights Movement.

Publishing:

Narrative Essay: MLA Format

## **Cross Curricular Integration**

---

### **Integration Area: Visual and Performing Arts**

1.1.8.B.1 Analyze the application of the elements of music in diverse Western and non-Western musical works from different historical eras using active listening and by reading and interpreting written scores.

1.1.8.D.1 Identify elements of art and principles of design that are evident in everyday life.

1.2.8.A.3 Examine how dance compositions are influenced by various social themes and arts media (e.g., dance for camera, interactive, telematics).

#### **Activity:**

During a study of the novel, *The Watsons Go To Birmingham*, by Christopher Paul Curtis, students conduct research related to the major events of the time period to include significant historical milestones related to the 1960s Civil Rights Movement, along with the relevant music, related art and photography of the time period using a variety of digital and print resources.
