

# ***Pre-K April Garden Visit Lesson Plan***

## ***Plant Needs***

**Objective:** Students will be able to determine what plants need for

**Standard:** 5.3.P.C.1 Observe and describe how natural habitats provide for the basic needs of plants and animals with respect to shelter, food, water, air, and light.

### **Materials:**

- Plant Needs Worksheet
- Scissors
- Glue

### **Activities:**

- Once arriving in the garden, the teacher(s) can give students a tour of the garden. The teacher(s) can explain how for plants to grow successfully they need air, sunlight, water, space to grow, and soil. Students can go on a “hunt” and find something that needs air, sunlight, water, space to grow, and soil.
- Students can then work on the plant needs worksheet

with assistance and guidance from teacher(s).
