

Kindergarten May Garden Visit Lesson Plan

Exploring the Garden

Objective: Students will be able to observe how plants and creatures live in the garden.

Standard: K-ESS3-1. Use a model to represent the relationship between the needs of different plants or animals (including humans) and the places they live.

Materials:

- Nature Walk Scavenger Hunt Worksheet
- Surface to write on (If you wish to complete the worksheet outdoors)
- Pencils

Activities:

Once arriving in the garden, the teacher(s) can explain how a garden is home to many plants and creatures. All living things contribute to the habitat. The class can brainstorm types of living things they think live in the garden. After, students can complete the “Nature Scavenger Hunt” worksheet. After, students can share some of the things they found in the garden.
