

## Eighth Grade Assessment

2.5.8.B.1, 2.5.8.B.2, 2.5.8.B.3

Identify two types of offensive strategies you can use in sports.

Explain how these strategies can be applied to the game of hockey.

Identify two types of defensive strategies you can use in sports.

Explain how these strategies can be applied to the game of hockey.

How do specific mental strategies improve performance?

A team decided to set a goal of winning a championship in hockey during the 2014-2015 season. Unfortunately, the team ended up in fourth place out of eight teams. The team only scored twenty goals and allowed sixty-five goals. What recommendations would you give to help improve the teams' record the following year?

## Eighth Grade Assessment

2.5.8.C.1, 2.5.8.C.2, 2.5.8.C.3

[illegible]

A hockey player scores three goals in the first period of a game. With two periods left what could he/she do to show good sportsmanship for the rest of the game?

Explain how the following all contribute to the safety of specific individual, small-group, and team activities:

Types of equipment –

Products –

Procedures –

Rules-

Give me an example of a game, sport, or dance that comes from a different culture that we see being used here in the U.S.
