

Take notes while we read.

# Abraham Lincoln

Abraham Lincoln was our 16<sup>th</sup> President. He was born on February 12<sup>th</sup>, 1809. Before he was the president he was a logger, in the US military, and also a lawyer.

Lincoln is such a part of U.S. history that his face is on our penny and \$5 bill. He also has a huge statue sitting at the National Mall in Washington, DC. Lincoln was known for being very tall—standing at 6 feet 4 inches! He also always wore a tall, black stovepipe hat, in which he stored his mail, money, and important papers. He was also very funny, always making jokes to make people laugh.
