

Milltown Public Schools  
Milltown, NJ 08850

BASED ON NJ STUDENT LEARNING STANDARDS 2023

# Language Arts Curriculum

Sixth through Eighth Grade

Adoption Date: June 17, 2024

The Milltown special education teaching professionals are fully trained in implementing general education curriculum in all academic content areas aligned with the New Jersey Student Learning Standards (NJSLs). While implementing general education curriculum into our special education programs, we ensure that the needs of all the individual students are met by giving each student the necessary modifications and accommodations. Additionally, each lesson is differentiated in order to address the various learning levels in each classroom.
