Topic: *Every student should have a personalized chromebook to bring to and from school each day. The student will receive this chromebook in **fifth** grade, and have it until **eighth** grade graduation. They can keep it overnight and over the summer, but would be expected to bring it to and from school each day.*

Directions: Please complete the following activities by the due date listed below (at the end of class). Have fun!!

_____ 11/14/18 Discuss and decide your belief and this topic. Make sure that there is factual evidence behind your decision. Record your evidence that supports this thinking. Please clearly state your belief and give facts and opinions to support this (should be able to speak one-three minutes about this).

_____ 11/21/18 Create a slideshow presentation backing all claims and ideas submitted (see in Google Classroom).

_____ 11/30/18 Reflect and decide who will be speaking and what they will be saying. Prepare talking points (notecards for the speaker), and a formal essay (two-three paragraphs) further justifying your ideas and sources.

_____ 12/4/18 Final Project submitted

Week of 12/3/18-12/7/18-Practice speeches and presenting information both privately and in the classroom in front of peers.
