

Board of Education Meeting

12-10-18

Name of Members

State Belief or Opinion On Topic (do not write it, just be ready to talk about it)

-Suggestions: Add a fact, joke, question, quote, story, point out the opportunity (pro) problem (con)

-Then answer or follow up to this fact, joke, or question quote, story, point out the opportunity (pro) problem (con), with your belief (say it out loud, do not write it on this slide)

-Add picture, graph, or other visual representation to make your opinion clear or to drive it home more

Clearly State Your Belief (this is where you clearly write the opinion)

-Make your belief clear, maybe follow up with another fact or comment supporting your belief

Add (short, a educational video that supports your belief or idea)

-Find one on the internet (I would support finding one that really drives your idea home). You may need to spend time at home researching this video. It can also be a clip of the video that drives this idea home (should only be 30 seconds to a minute long)

List all of your facts that further drive home your belief (either pro or con) make sure that it relates to your board members area

-List fact based evidence and first hand testimonies (from your classmates and teachers)

-If it is a fact, quote the source

-If it is a first hand account, ask permission and quote the source (can be a teacher, coach, or classmate)

List all of your facts that further drive home your belief (either pro or con) continued

Close your presentation (really leave them with a lasting effect)

(Summarize key points first)

For Your Reference: Please Answer the Following Questions Throughout Your Project

GRANTS

- Are there any available grants that align with the idea?
- Would volunteers be helpful?
- Are donations possible?
