# Unit 3: Convergent/Analytical Detective Thinking (Enrichment Pull-Out Lessons)

Content Area: Enrichment Course(s): Enrichment K

Time Period: MP3-4
Length: MP3-4
Status: Published

#### **Essential Questions**

• How does convergent/analytical detective thinking strategies help to solve problems?

#### **Big Ideas**

- Problem solving using convergent/analytical deductive thinking. (Find the clues, reread the clues, take time and reflect, organize and put the clues together, then determine the answer)
- 1. How will we get to the beach?
- 2. Mystery animal/person cards

### **Enduring Understandings**

- RL.K.1 With prompting and support, ask and answer questions about key details in a text.
- RL.K.5 Identify the front cover, back cover, and title page of a book
- RL.K.7 With prompting and support, describe the relationship between illustrations and the text in which they appear (e.g., what person, place, thing, or idea in the text an illustration depicts).
- RL.K.10 Actively engage in group reading activities with purpose and understanding.
- RI.K.2 With prompting and support, identify the main topic and retell key details of a text
- RI.K.7 With prompting and support, describe the relationship between illustrations and the story in which they appear (e.g., what moment in a story an illustration depicts).
- RI.K.10 Actively engage in group reading activities with purpose and understanding.
- SL.K.2 Confirm understanding of a text read aloud or information presented orally or through other media by asking and answering questions about key details and requesting clarification if something is not understood.
