Content Area: **Music**  
Course(s): **Music 3**  
Time Period: **MP1-2**  
Length: **September-December**  
Status: **Published**

## Essential Questions

---

- How do individuals choose music to experience? How does understanding the structure and context of music inform a response?
- How do we discern the musical creators' and performers' expressive intent?
- How do we judge the quality of musical work(s) and performance(s)?
- How do musicians make meaningful connections to creating, performing, and responding?
- How do the other arts, other disciplines, contexts, and daily life inform creating, performing, and responding to music?
- How do dancers work with space, time and energy to communicate artistic expression?
- What happens when theatre artists use their imaginations and/or learned theatre skills while engaging in creative exploration and inquiry?

## Big Ideas

---

- Select, Analyze
- Interpret
- Evaluate
- Choreographers use a variety of sources as inspiration and transform concepts and ideas into movement for artistic expression.
- The elements of dance, dance structures and choreographic devices serve as both a foundation and a departure point for choreographers.
- Choreographers analyze, evaluate, refine, and document their work to communicate meaning.

## CSDT Technology Integration

---
