Essential Questions

- How can I perform on my instrument?
- How do performers select repertoire?
- How do musicians improve the quality of their performance?
- When is a performance judged ready to present? How do context and the manner in which musical work is presented influence audience response?

Big Ideas

- All students will synthesize those skills, media, methods, and technologies appropriate to creating, performing, and/or presenting works of art in music.
- Performers' interest in and knowledge of musical works, understanding of their own technical skill, and the context for a performance influence the selection of repertoire.
- To express their musical ideas, musicians analyze, evaluate and refine their performances over time through openness to new ideas, persistence and the application of appropriate criteria.
- Musicians judge their performance based on criteria that vary across time, place and cultures. The context and how a work is presented influence audience response.
