Taking notes will definitely help! *You will have several days to conduct the research in class* Please use the charts to help you organize your information. These charts will be expected to be turned in with the completion of the project.

Part 2-Analysis!

- After you have acquired all of your information for the Gods, Goddesses, Heroes, and Monsters it is time to analyze your findings. Remember you are selecting who you think is the greatest in each category! You will be responsible for backing up your opinion with details, facts, and examples.

 - ✓ Powerpoint Presentation
 - ✓ "Prezi" tation
 - ✓ Poster presentation
 - ✓ Brochure
 - ✓ Any other ideas that you may have please clear it with me before beginning this part.

Information that you must have on your visual aid:

- ❖ Title and your Name
- ❖ For each category you are going to select two (2) Gods/Goddesses/Heroes/Monsters
- ❖ On your visual presentation you are going to describe who they are, what they accomplished, facts, details, and examples of greatness from their lives.
- ❖ You are then going to reveal to the class who (in your opinion) was the greater of the two and why. Be sure you can back up your choice, or else we may have to debate!
- ❖ Your visual presentation should be colorful, interesting, and include pictures.
