

Unit 2-3k L.E.A.D.-Bonding and Relationships

Content Area: **P.E. & Health**
Course(s): **Health 5**
Time Period: **MP2-3**
Length: **Day 5**
Status: **Published**

Essential Questions

- How are healthy and unhealthy friendship qualities similar and different?
- How can you be compassionate and empathetic towards others?
- What are the benefits of belonging to a positive peer group?

Big Ideas

- Bonding with pro-social others fosters belonging and connectedness, mitigating the impact of risk factors on behavior. Peer selection skills, including the ability to make and maintain positive friendships, is a critical protective factor.
- Children surrounded with positive peer influences make more responsible, less-risky choices and are more likely to reach their goals.

Enduring Understandings
