

MP2-3m L.E.A.D.-Peer-Pressure Refusal

Content Area: **P.E. & Health**
Course(s): **Health 5**
Time Period: **MP2-3**
Length: **Day 7**
Status: **Published**

Essential Questions

- What is peer pressure and peer influence?
- What is the effect of peer pressure on decision making and goals?
- What are the nine peer-pressure refusal strategies and how can you use them?
- How can you be a positive peer influence?

Big Ideas

- As children approach adolescence, the influence of peers increases significantly, making the ability to manage peer pressure a critical protective factor.
- Peer-pressure refusal skills enable children to express with confidence their decisions to avoid risky behaviors.
- Children equipped with these skills are better able to keep themselves safe and have a positive influence on others.
