

Unit 1-4A Emotional Health

Content Area: **P.E. & Health**
Course(s): **Health 6**
Time Period: **Marking Period 1**
Length: **3 Days**
Status: **Published**

Essential Questions

- What are ways that I can cope with stress?
- What are ways that you can bounce back from depression?
- How can I support my mental health?

Big Ideas

- Self-management skills impact an individual's ability to cope with different types of mental, psychological, and emotional situations.

Enduring Understandings

2.1.8.EH.1: Compare and contrast stress management strategies that are used to address various types of stress-induced situations (e.g., academics, family, personal relationships, finances, celebrations, violence).

2.1.8.EH.2: Analyze how personal attributes, resiliency, and protective factors support mental and emotional health.
