

N MP1-4-Interdisciplinary Projects I and II Copied from: 7th Grade Technology , Copied on: 12/05/22

Content Area: **Technology**
Course(s): **Financial Literacy 7, 21st Century Skills**
Time Period: **MP1,3**
Length: **MP1,3 Proj I; MP2,4 Proj II**
Status: **Published**

Essential Questions

- How can I apply what I'm learning about financial literacy to real-life?
- How do I choose which technological tool to use and when is it appropriate to use them?
- How can I transfer what I know to new technological situations/experiences?

Big Ideas

- Practicing knowledge learned about financial literacy prepares you to live smarter lives.
- Identify and define authentic problems and significant questions for investigation.
- Plan and manage activities to develop a solution or complete a project.
- Collect and analyze data to identify solutions and/or make informed decisions.
- Use multiple processes and diverse perspectives to explore alternate solutions.
- Technology is constantly changing and requires continuous learning of new skills.
- Selection of technology should be based on personal and/or career needs assessment, A tool is only as good as the person using it.
