

Wingman Elective Outline 2022-2023

Week #	Topic/Main Idea
1&2	Students will work through the Wingman Training with the trainer. Students will be introduced to the program, experience some of the lessons they will lead their peers in, and join the Google Classroom.
3&4	Students will begin to practice leading their own lessons with feedback from their peers as well as the facilitator. Teacher will have students begin to think about a service project for Marking Period 1. Students will instruct their first lesson during MSA.
5&6	Teacher will lead reflection on how each group's lesson went, what their strengths were, and what they can improve. Teacher will assign the next lessons and allow class time to practice. Service project will be finalized for Marking period 1.
7&8	Students will continue to practice their newly selected lessons. Students will begin to pick their MSA classes to instruct. Students will work on chosen service project for Marking Period 1
9&10	Students will be in charge of selecting their lessons and classes for the duration of the school year. Students will work on chosen service project for Marking Period 1.
11	Students will finalize service project for Marking Period 1.
12	Students will reflect on Marking Period 1 both their leadership and their service project. Students will begin to choose a new service project for Marking Period 2.
13	Students will choose Marking Period 2 Service Project.
14-19	Students will continue to choose their lessons and classes. Students will practice their new lessons as needed. Students will work on the service project for Marking Period 2.
20	Students will finalize service project for Marking Period 2. Students will reflect on Marking Period 2 both their leadership and their service project. Students will begin to choose a new service project for Marking Period 3.
21	Students will choose Marking Period 3 Service Project.
22-28	Students will continue to choose their lessons and classes. Students will practice their new lessons as needed. Students will work on the service project for Marking Period 3.
29	Students will finalize service project for Marking Period 3. Students will reflect on Marking Period 3 both their leadership and their service project. Students will begin to choose a new service project for Marking Period 4.
30	Students will choose Marking Period 3 Service Project.

31-39	Students will continue to choose their lessons and classes. Students will practice their new lessons as needed. Students will work on the service project for Marking Period 3.
40	Students will recruit new Wingman for the upcoming school year. Students will finalize service project for Marking Period 3. Students will reflect on Marking Period 3 both their leadership and their service project. Students will begin to choose a new service project for Marking Period 4.
