

Google Slides Choice Board Requirements

Presentation must include at least **4 slides of information, a title slide with the theme and student's name, and at least 3 images that relate to the slides.** Design and layout should be appropriate to the topic.

Information to be added to the 4 slides include the following:

- definition
- examples of theme seen in school
- examples of theme in their daily life
- how could this be improved upon in our school
- brief project proposal of how to improve that theme within our school
- how theme improves overall school climate
- how theme improves individuals
- ways which the student demonstrates this theme
- how the student could improve in that theme
