

Self-Reflection Portfolio

June MSA Lesson

Overview

After reviewing various SEL themes all year, it's time to reflect on our work!

For the final assignment of this year's MSA class, you will be reflecting on the activities you completed on the Choice Board.

Please be honest in your reflection but remember to keep our **CARES Model** in the forefront of your mind when giving feedback.

**Create a
slideshow
that
includes**

1 Two Favorite Tasks

Create two slides (one for each task), to discuss why these tasks from the choice board were most enjoyable. Be as specific and descriptive as possible. Write at least 3-4 sentences each.

3 New Project

Create one slide to describe a project you WISH you saw on the choice board. Make sure to explain how this task would be completed, what would be the requirements, and why others might enjoy it.

2 The benefits

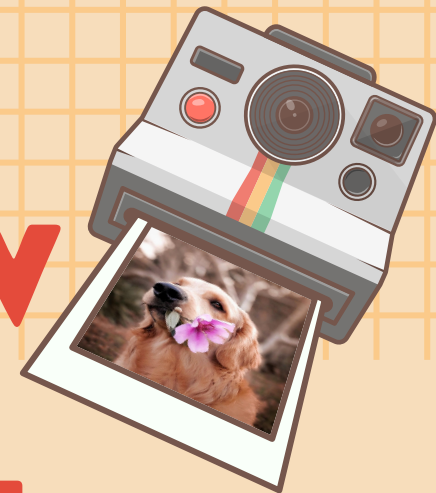

Create one slide that explains how these choice board activities helped you benefit in some way. Did they teach you something? Open your eyes to new ideas? Explain in at least 3-4 sentences.

4 Decorate

Decorate your slides on a way that reflects your personality. Use images, change the font, color, etc. of slides.
