Students are actively engaged in learning through the use of multisensory techniques, with sounds, their

representative letters, and words with spelling options. Multiple opportunities for handwriting practice and application is provided to build mastery during Daily 5 rotations.

- GUIDED PRACTICE: Through the Foundations level one program, first grade students will continue the developmental progression of print through multisensory activities for letter formation and sound-symbol knowledge. In first grade, all students participate for the first 6 weeks, then BSIP students continue for the remainder of the year.
