Big Ideas

● Students review the writing they have done this year and reflect on their growth as writers and as members of the classroom writing community.
● Students write letters to next year's class about what it means to be a writer, reflect on and write about a favorite author, and plan their summer writing.
● Students thank their classmates for supporting them this year, and they express interest in and appreciation for one another's writing and thinking.

Handwriting and Spelling

Handwriting Goals:

● Using the Handwriting Without Tears Program, teachers will provide formal and structured instruction for students to learn cursive writing. Students will learn a new physical approach to writing and motor control developed for learning
cursive.
● Teachers will provide 3 stages of instruction:
○ Stage 1 Direct Instruction- Watch someone form a letter first, and then write it.
○ Stage 2 Guided Practice-Look at a letter and then write it
○ Stage 3 Independent Practice - Write without watching someone or seeing the letter

● Review all cursive writing skills as students write in cursive fluently.
