Handwriting and Spelling

Handwriting:

Students are reintroduced to the cursive letters. Modeling is done to show the students how to connect the letters. Students are tasked with writing their spelling words in cursive monthly.

Spelling:

Spelling words taken from the Fountas & Pinnell High-Frequency Word List for Grade 5. Spelling Packets are given to the students to work on throughout the month. Activities include: write the word three times, alphabetize the words, write words in cursive, create sentences using the words, and word search. One formal 20-word spelling test will be given at the end of this unit. (One-two formal spelling tests will be given each marking period. Writing rubrics also assess spelling.)
