

Math ASSESSMENTS

Formative Assessments:

- Graphic Organizers (part part whole mats)
- Math conferences
- Thumbs up, thumbs down
- Game activities
- Teacher-made pretests, observation/checklist
- Whole group board activity
- Verbal Exit Ticket
- Checking for understanding activities (Exit Slips, 321 strategy)

Summative Assessments:

- Pre-requisite skills taken once at the beginning of the year
- Standards-based common assessments
- End of unit assessments
- MAP testing

Benchmarks:

- Homework
- Skill-based software progress reports (i.e. Google Slides)

Extension Activities:

My Partner Said

Encourage active listening by having students share their thinking about the math lesson. After talking with partners they can share something their partner said—not their own ideas. So in the larger group, each person would say something like “My partner Allan said _____.”

Information Equation

Invite students to use mathematical terms to represent key ideas in the selection.

Math Projects

- penguin, hot chocolate, and mitten addition
- snowman teen number ten frames
- gumball 100th day counting
- pete the cat subtraction

- mouse trap shapes
- blueprint shapes
- measuring trees
- measuring flower garden
- menorah number sequencing

Correct the Teacher

The teacher will make a mistake on the board. The students will have to spot the teacher's mistake and correct it.
