STUDENT LEARNING TARGETS

Declarative Knowledge

Students will understand that:

- Like written language, how a sentence (phrase) is articulated is ESSENTIAL to conveying the appropriate musical message or character.
- The articulation terms of slur, staccato, legato, sforzando, marcato, tenuto, accent (etc.) all have to do with "how" the note is played and not the length of the note.
- Tongue placement and air support help with the correct performance of articulations as notated by the composer.

Procedural Knowledge
