General Overview, Course Description or Course Philosophy

UNIT OVERVIEW

The ability for students to match pitches and rhythms is intrinsic to choral success. Students will consistently practice these skills, through ear training and other singing exercises.

OBJECTIVES, ESSENTIAL QUESTIONS, ENDURING UNDERSTANDINGS

OBJECTIVE

Students will understand that ear and rhythmic training will promote correct production of pitches and rhythms.

ESSENTIAL QUESTION

How do musicians improve the quality of their creative work?

ENDURING UNDERSTANDING

Musicians evaluate and refine their work through openness to new ideas, persistence, and the application of appropriate criteria.
