General Overview, Course Description or Course Philosophy

The Wind Ensemble Course is designed to challenge the advanced instrumental music student. The students enrolled in the Wind Ensemble Honors course must have auditioned and been accepted on their respective instruments. Wind Ensemble students study performance skills and individual techniques on their instrument in addition to advanced ensemble rehearsal and performance techniques. Participation at the Holiday, Winter, Regional, and Spring Concert, Graduation Ceremonies, and special performances as scheduled by the Director of each ensemble is a responsibility which must be met by each member of the Wind Ensemble. It is recommended that instrumental band students study privately and participate in solo festivals, North Jersey Area Band, All-State, Regional Honor Groups, and Chamber Ensembles for additional challenges.
