## UNIT ORIENTATION

---

Series books are designed to hook kids into characters and familiar adventures. Children inevitably fall in love with the recurring characters, who somehow always find themselves in challenging predicaments and situations, yet exhibit reassuringly predictable behaviors and beliefs. Once hooked, children will read and read, finding it easier to push their thinking past where they've been now that they are in familiar terrain. Students will work within book clubs to study author's craft to understand ways authors use word choice, figurative language, punctuation, and even patterns to construct a series and evoke feelings in readers.
