Content Area: **ELA**  
Course(s):  
Time Period: **Full Year**  
Length: **25 Days**  
Status: **Published**

## **UNIT ORIENTATION**

---

: In this unit, children learn strategies to build three foundational reading skills—fluency, understanding figurative language, and comprehension.

## **Enduring Understandings**

---

- Readers read with fluency by:
  - Rereading text out loud and in their heads with a clear smooth voice
    - Scoop up phrases
    - Notice and use punctuation
    - Self-monitor (Does it sound right?)

○ Paying attention to characters and reading those voices as the author intended

○ Paying attention to what is happening in the story and matching their tone

○ Reading at a just right pace

Readers notice and analyze figurative language by paying attention to comparisons and playful language (simile, metaphor, puns, idioms) and their meaning

Readers keep track of longer texts by actively using comprehension strategies as they read and share their thinking with same book partnerships

Learners self-assess and create learning goals for their reading work Partners (and clubs) with similar goals support each other by

○ Giving helpful feedback on progress toward goals

○ Make plans to achieve goals

○ Gather resources and ideas to support goals

## **Essential Questions**

---

How do we read more complex texts fluently and with good expression?

How can we infer the writer's craft?

What strategies can be used to track our reading to develop a better understanding?

How can we work together to attain our reading goals?
