## **General Overview, Course Description or Course Philosophy**

---

### **Latin 2**

Building upon the framework established in Latin 1, this course continues the study of grammar, introducing students to increasingly more sophisticated forms. The course carries on the comparison of English and Latin in the areas of grammar and vocabulary. The course will explore additional institutions and traditions of Roman culture that have had an impact on Western society. Media aids are used to enhance the academic experience.

## **OBJECTIVES, ESSENTIAL QUESTIONS, ENDURING UNDERSTANDINGS**

---

Students will understand:

- how to form and use the irregular verb *volo, nolo, malo, fero*, and *fio* and compare these forms to regular verbs.
- how to form and use irregular adjectives and adverbs and compare these forms to their regular counterparts.
- that deponent verbs are passive in form, but active in meaning.
- how to form and use deponent verbs.
- how to form both positive and negative commands.
- how the Odyssey is a fitting conclusion to the Trojan Saga.

Essential Questions:

- Why do the most commonly used words tend to be irregular in form?
- Why are most irregular adjectives in English, e.g., *good, better, best*, also irregular in Latin?
- Why do most deponent verbs tend to be intransitive or reflexive?
- Why do we call the imperative a mood? How would you compare the imperative mood to the indicative and subjunctive moods?
- What characteristic make Odysseus an atypical hero?

## Enduring Understandings:

- Commonly used words are often irregular because of their long history and extensive use.
- Irregular words in Latin tend to be verbs, adjectives, and adverbs.
- Like English, Latin has three verbal moods: the indicative, imperative, and subjunctive.
- Odysseus is the archetypal adventure hero.
