General Overview, Course Description or Course Philosophy

After a brief review of previously acquired skills and knowledge at the middle-school level, French 2 Honors aims to develop students' listening, speaking, reading and writing skills. New grammar and vocabulary are introduced and reinforced in oral and written exercise in a close to total immersion environment. Listening and speaking are continued in classroom situations, conversations, original presentations, and the use of authentic recorded materials. The French language is used extensively in all activities and students in French 2 Honors are expected to be able to communicate and interact in the target language during class time.

The goal of this class is not only to improve students' communications skills in the French language but also to instate in students respect and understanding of other cultures as well as an interest in exploring their world. Students are expected to be able to compare and contrast elements of Francophone cultures to their own. Students are introduced to French songs, movies and literature selections throughout the year. Students are exposed to Francophone cultures through reading and authentic digital resources.
