

# 10 - Phrasing - 6-8 Choir - 2020

Content Area: **Music**  
Course(s):  
Time Period: **Full Year**  
Length: **Ongoing**  
Status: **Published**

## **General Overview, Course Description or Course Philosophy**

---

This course provides a solid foundation in Choir fundamentals, which are introduced, reviewed and mastered, from grade level 6 through level 8. Its design is to impart students with a multifaceted music education, through skill building, historical and social contexts, and performance. Students will engage in daily collaborative whole group and small group singing, to enhance vocal technique, while building community and equity through diversity. Musical growth and mastery will be demonstrative at two choir concerts, one marking their mid-year progress, the second culminating in their end of year proficiency.

## **OBJECTIVES, ESSENTIAL QUESTIONS, ENDURING UNDERSTANDINGS**

---

A phrase in a song or piece of choral repertoire, is a musical thought or sentence, which contains musical punctuation for emphasis, shape, expression, and conclusion (or cadence). The overall structure of the music contains many phrases, creating the musical 'story' of the song.

## **CONTENT AREA STANDARDS**
