General Overview, Course Description or Course Philosophy

Social Studies 8

All students will acquire the knowledge and skills to think analytically about how past and present interactions of people, cultures, and the environment shape the American heritage. Such knowledge and skills enable students to make informed decisions that reflect fundamental rights and core democratic values as productive citizens in local, national, and global communities.

OBJECTIVES, ESSENTIAL QUESTIONS, ENDURING UNDERSTANDINGS

Students will understand that

- Steps were taken in the 1800s to reform parts of society in order to improve the lives of Americans.
- Life in the North and South were fundamentally different from each other.
- African Americans faced discrimination, racism, and slavery throughout the 1800s and before.
