Content Area: **Social Studies**
Course(s):
Time Period: **Full Year**
Length: **25 days**
Status: **Published**

General Overview, Course Description or Course Philosophy

World History/Global Studies is a required survey course with a major focus on the developments in world history from the Renaissance to the present. Both a chronological and thematic approach will be used to foster an understanding of the world today through the use of primary documents. Honors level students will be expected to have a high level of reading and writing proficiency and the recommendation of both their Social Studies and English teachers.

OBJECTIVES, ESSENTIAL QUESTIONS, ENDURING UNDERSTANDINGS

According to the 2020 New Jersey Student Learning Standards – Social Studies 6.2 World History: Global Studies by the End of Grade 12:

Era 5. The 20th Century Since 1945: Challenges for the Modern World

- Decolonization, the emergence of new independent nations, and competing ideologies changed the political landscape and national identities of those involved, and sometimes included military confrontations and violations of human rights. International migration and scientific and technological improvements in the second half of the 20th century resulted in an increasingly global economy and society that are challenged by limited natural resources.

Enduring Understanding(s):

EVIDENCE OF LEARNING

Alternative:

- Portfolios
- Verbal Assessment (instead of written)
- Multiple choice
- Modified Rubrics
- Performance Based Assessments

Benchmark:

Standards based through Pear Assessment

Benchmark Assessments

Benchmark Assessment using Pear Assessment conducted three times per year - Standards based

Formative Assessments

For this unit, formative assessments can/will include:

- Students will read a primary source related to the Challenges of the 20th Century. Then students will be organized into groups to demonstrate knowledge of salient points from the documents.
- Self-paced Nearpod and/or EdPuzzle.
- Conference with the teacher to make sure the group is on track.
- Perform a gallery walk of their visuals and posters and complete two stars and a wish feedback with post-its.
- Answering questions.

Alternative:

- Exit tickets.

Summative Assessments

For this unit, summative assessments can/will include:

- Students will demonstrate their knowledge in a teacher generated test or quiz.
- Nearpods
- Regional Presentations. Students must include the important terms and answer questions given with their topic. They must include a quiz at the end of the presentation to hold their classmates accountable for the information. Students must include analysis of primary source documents that coincide with their topic to include in their 10- 15 minute presentations. Presentation that must include a poster for the gallery walk, to hang around the room as students tour the various regions. Then, one or more of the following should be included in your presentation: Slides Presentation, Poster, Charts, Pictures, Graphs, Video, Song, Simulations, etc. Students must hand in an MLA Works Cited page on the day of presentation.
- At least one of the following was accurately related and included to enrich the presentation: costumes, props, food, artifacts, etc. Using the terms for your topic, create a review using any of the following: a quiz, review game, crossword puzzle, maps, i.e. Finally students must include a handout, which can be notes, the review, slide printouts, etc.
