General Overview, Course Description or Course Philosophy

This is an introductory Spanish 3 elementary course. The units include colors, days of the week, the months of the year, dates, numbers, expressing likes and dislikes, the parts of the body, farm animals, culture, and descriptions. Students will learn different Spanish vocabulary words. They will learn to answer questions in Spanish and write simple sentences.

This course develops the essential pieces of learning a world language: reading, writing, listening and speaking. It also emphasizes the three modes of communication: interpretive, interpersonal and presentational.

RELATED STANDARDS (Technology, 21st Century Life & Careers, ELA Companion Standards are Required)

9.4.5.CI.1: Use appropriate communication technologies to collaborate with individuals with diverse perspectives about a local and/or global climate change issue and deliberate about possible solutions

9.4.5.DC.8: Propose ways local and global communities can engage digitally to participate in and promote climate action

9.4.5.IML.2: Create a visual representation to organize information about a problem or issue

9.2.5.CAP.1: Evaluate personal likes and dislikes and identify careers that might be suited to personal likes.

L.KL.5.1. Use knowledge of language and its conventions when writing, speaking, reading, or listening.

LA.K-12.NJSLSA.W4
