02_The Elements and Principles of Design

Content Area: Course(s): Art

Time Period: Full Year
Length: On Going
Status: Published

General Overview, Course Description or Course Philosophy

In Art Major 2 we foster independent and creative thought, emphasizing art-making as not only a means of personal self-expression, but a way of thinking about our relationship to culture, humanity and the world of ideas.

OBJECTIVES, ESSENTIAL QUESTIONS, ENDURING UNDERSTANDINGS

Unit Importance:

• It is important to understand that the Principles of Design are the rules by which artists use the elements (parts or components) of a composition/design. The Elements of Design are the parts or components of a design/composition. The Principles of Design are: balance, contrast, emphasis, movement, pattern, rhythm and unity. The Elements of Design are: line, color, shape, value, form, texture and space.

Essential Question(s):

• How do artists determine what resources and criteria are needed to formulate artistic investigations?

Enduring Understanding(s):

- Artists and designers experiment with forms, structures, materials, concepts, media, and art-making approaches.
- Artists and designers balance experimentation and safety, freedom and responsibility, while developing and creating artworks.
- Artists and designers shape artistic investigations, following or breaking with traditions in pursuit of creative art-making goals.
