General Overview, Course Description or Course Philosophy

This academic- and arts-based elective is a course in which students will, by in large, independently apply their knowledge of the field of journalism and all its subsets. Students will focus on producing print issues of the Coly Chronicle and web issues for ColtChronicle.org. The curriculum was created using the New Jersey Student Learning Standards, as well as the Standards for 21st Century Life and Careers Standards, and the Association Of College & Research Libraries Information Literacy Competency Standards For Journalism Students And Professionals. The Standards for English Language Arts / Literacy lay out a vision of what it means to be a literate person in the twenty-first century. The skills and understandings students are expected to demonstrate have wide applicability outside the classroom or workplace. Students who meet the Standards readily undertake the close, attentive reading; artful writing; and eloquent speaking that is at the heart of understanding and enjoying journalism, general informational writing and the world around us. They will also be able to use their knowledge of journalism law and ethics to reason and justify decisions in a variety of both hypothetical and real-world scenarios. They will habitually perform the critical reading skills necessary to pick carefully through the staggering amount of information available today in print and digital media. They will actively seek the wide, deep, and thoughtful engagement with high-quality informational texts that builds knowledge, enlarges experience, and broadens worldviews. They will reflexively demonstrate the cogent reasoning and use of evidence that is essential to both private deliberation and responsible citizenship in a democratic republic. In short, students who meet the Standards develop the skills in reading, writing, speaking, and listening that are the foundation for any creative and purposeful expression in language. THIS COURSE IS DUAL-ENROLLMENT FOR THREE COLLEGE CREDITS FROM WILLIAM PATERSON UNIVERSITY. THIS COURSE IS THE EQUIVALENT OF WILLIAM PATERSON'S [SCOMM 2100 \(MEDIA WRITING\) COURSE](#).
