Lessons/Learning Scenarios

Writing:

Launching the Writing Workshop by Lucy Calkins

Author Study: Laura Numeroff

- Interactive Writing: Class creates a class book based on books by Laura Numeroff
- Each student can create their own page with illustrations.
- Published book remains in classroom and/or smaller copies of class book go home with students.
- Teacher leads students in creating a circular story based on the students, the school and memories of the school year. Each student gets to create a page that connects to the next student's page.
- For example, "Elijah needed to sharpen his pencil. So he went to the sharpener. But, the sharpener was full. So he asked Angel to help him empty it. Angel came over to help, but tripped on a chair and hurt her knee. She called her friend Hailey to help her get up. ..

Modeled Writing Unit: Friendly Letter

- review parts of a letter
- Students can write to: family members, friends, people in the school community, kindergarten students, or anyone else they know.
- The content of the letter could include: a goodbye message, a thank you message, a memory of a favorite activity, an introduction to first grade for a kindergarten student, a request for information about second grade to a second grade

student, etc...

Give district prompt: write about a family member or relative – allow 15 minutes. Students may draw, label their picture, and/or write in sentences. Save in assessment folder.

Personal Writing Folder – letter
