Unit 7-Fitness Challenge/strength/speed/flexiblity/endurance

Content Area:Comprehensive Health and Physical EducationCourse(s):Physical Education K, Physical Education 1, Physical Education 2Time Period:UndefinedLength:2-4 weeks 40 minute classesStatus:Published

Unit Overview

Essential Questions

What are the main areas of fitness that we address?

How are those applied to increase our fitness levels?

What are the essential skills and concepts necessary to successfully participate in small and large group games?

Content

Perform physical fitness test (President's Challenge).

Learn about the five components of fitness: Sit ups, Pull ups, ½ mile, Shuttle run, Sit and reach

Learn about recreational games: disc bocce, station activities, bowling, Frisbee, Horse shoes, etc.

Skills

Describe lifestyle choices that can improve overall fitness and offset negative factors.

Participate in activities to evaluate your health related fitness.

Students will be able to demonstrate skills for a variety of leisure and lifetime activities

Assessments

At the appropriate age/gender will participate and scored:

- Sit ups
- Pull ups
- 1/2 mile
- Shuttle run
- Sit and reach

Skill Assessment

Teacher Observation

Lessons/Learning Scenarios

Students will be able to participate in fitness skills:

1. strength – push-ups, curl-ups

2. flexibility - stretching

3. speed/agility - running

4. endurance - jogging for a specified amount of time

Students will understand, participate in the development of, and follow classroom rules; follow activity-specific rules, safety practices and procedures; and demonstrate etiquette and good sportsmanship in a variety of physical activity settings.
