

Unit 3 - Números

Content Area: **World Languages**
Course(s):
Time Period: **Trimester 2**
Length: **6-8 weeks**
Status: **Published**

Unit Overview

Students can independently identify and apply vocabulary about numbers 0-100, 1000, 1000000, and mathematical symbols.

The Novice-mid language learner understands and communicates at the word level and can independently identify and recognize memorized words and phrases that bring meaning to text. Through active listening, frequent repetition and practice, students develop a fundamental vocabulary that supports comprehension of thematically based content. Through a series of scaffold learning activities, students strengthen their interpretive, interpersonal, and presentational skills.

Essential Questions

How do you count from 0-100 by 1s, 2s, 5s, and 10s?

How do you individually pronounce numbers from 0-1,000,000?

How do you create and solve Spanish math problems and equations?

Dialogues/short skits
Counting (oral)

Listening comprehension

Students respond physically (TPR) and orally to teacher prompts.
Students complete written activities.
Students participate in short dialogues.
Students count in Spanish

Students identify numbers heard in Spanish

Students count and label objects and pictures in Spanish

Lessons/Learning Scenarios

Students respond through active listening, repetition, and Total Physical Response (TPR) to develop beginning Spanish vocabulary. Students understand new words through picture prompts, teacher's actions and modeling, and practice. Students respond to teacher prompts during developmentally appropriate activities. Students apply phonemic awareness in English to Spanish letters and vowel sounds as a scaffold to Spanish reading and writing proficiency. Students develop confident oral proficiency through participating in short dialogues and skits using practiced sentences and phrases. Students interpret unfamiliar text using context clues, picture prompts, and prior knowledge. By applying new vocabulary and phrases in real life applications, students strengthen their interpretive, interpersonal, and presentational skills.

Recite Spanish numbers.

Count in Spanish.
Total Physical Response (TPR) activities.

Writing activities that build word recognition skills and awareness of simple sentence structure in Spanish.
Respond to teacher oral directions and questioning.
Participate in culturally authentic games

Write and solve Spanish math problems
