GRADE 1 – Unit 2 Genre Studies

Mission Statement

The primary goal of the Swedesboro-Woolwich School District is to prepare each student with the real life skills needed to compete in a highly competitive global economy. This will be achieved by providing a comprehensive curriculum, the integration of technology, and the professional services of a competent and dedicated faculty, administration, and support staff.

Guiding this mission will be Federal mandates, including No Child Left Behind, the New Jersey Core Curriculum Content Standards, and local initiatives addressing the individual needs of our students as determined by the Board of Education. The diverse resources of the school district, which includes a caring PTO and active adult community, contribute to a quality school system. They serve an integral role in supporting positive learning experiences that motivate, challenge and inspire children to learn.

Unit/Module Overview

Students will learn about different genres while also being introduced to different cultures. They will have a chance to learn map skills and see visuals of other parts of the world. They will compare and contrast traditions from several countries and be introduced to basic words and phrases from the Spanish language. Students will also see how historical events can be portrayed differently depending on the genre of story that is used. They will explore how props or costumes can be used for storytelling. They will continue to grow their love of literacy as they wrap the unit during Read Across America Month.
