Trimester 1, 60 days**

Mission Statement

Students will be introduced and immersed in the seven elements of culture through three different major world languages and their respective cultures.

Unit Overview

- The World Cultures Trimester 1 unit is a comprehensive unit based on world geography and Spanish language and cultures. Additionally, cultural diversity lessons are included with regard to the populations served by the Swedesboro Woolwich School District and cultural calendar events. Students in grade 6 will be exposed to basic Spanish language terms for things like calendar terms, numbers, colors, weather, and greetings. The basic language instruction will be through the use of DuoLingo and will also be taught and reinforced through the daily classroom activities. Students in grade three will also be immersed in Spanish culture through a focus on Spain and Mexico. World geography will be taught and reinforced throughout the trimester through the use of map puzzles, map creation, games, and other classroom activities. As dictated by the diversity celebration calendar, diversity will be infused through the use of stories and videos. Students will be expected to complete formative and summative assessments and/or projects.

**GRADE 6 World Cultures – Unit 2: Italian
Trimester 2: 60 days**

Mission Statement

Students will be introduced and immersed in the seven elements of culture through three different major world languages and their respective cultures.

Unit Overview

- The World Cultures Trimester 2 unit is a comprehensive unit based on world geography and Italian language and cultures. Additionally, cultural diversity lessons are included with regard to the populations served by the Swedesboro Woolwich School District and cultural calendar events. Students in grade 6 will be exposed to basic French language terms for things like calendar terms, numbers, colors, weather, and greetings. The basic language instruction will be through the use of DuoLingo and will also be taught and reinforced through the daily classroom activities. Students in grade three will also be immersed in French culture through a focus on France and Canada. World geography will be taught and reinforced throughout the trimester through the use of map puzzles, map creation, games, and other classroom activities. As dictated by the diversity celebration calendar, diversity will be infused through the use of stories and videos. Students will be expected to complete formative and summative assessments and/or projects.
