

Swedesboro-Woolwich School District's Phonics Curriculum Guidance Document

GRADE 2– Module 1: Nice to Meet You!

Mission Statement

The primary goal of the Swedesboro-Woolwich School District is to prepare each student with the real life skills needed to compete in a highly competitive global economy. This will be achieved by providing a comprehensive curriculum, the integration of technology, and the professional services of a competent and dedicated faculty, administration, and support staff.

Guiding this mission will be Federal mandates, including No Child Left Behind, the New Jersey Core Curriculum Content Standards, and local initiatives addressing the individual needs of our students as determined by the Board of Education. The diverse resources of the school district, which includes a caring PTO and active adult community, contribute to a quality school system. They serve an integral role in supporting positive learning experiences that motivate, challenge and inspire children to learn.

Unit/Module Overview

This phonics module is designed to strengthen foundational literacy skills through an integrated approach that includes phonological awareness, phonics, spelling, handwriting, and fluency. Students develop an understanding of syllable types, including closed syllables, closed syllable exceptions, and open syllables, while applying these concepts to spelling activities. Handwriting practice focuses on forming manuscript letters such as *m, t, d, c, a, i, f, l, s, e, o, u, h, n, g, w, p,* and *b*, ensuring accuracy and legibility. Students also learn to read and spell irregular words such as *put, push, or, for, was, and you*. Fluency development is embedded throughout, emphasizing accuracy, self-correction, reading rate, automaticity, and expression. This comprehensive module helps students build the essential skills needed for confident and fluent reading.

Standards Covered in Current Unit/Module

Related Standards and Learning Goals

L.RF.1.2. Demonstrate mastery of spoken words, syllables, and sounds (phonemes) by using knowledge that every syllable must have a vowel sound to determine the number of syllables in a printed word.

Swedesboro-Woolwich School District's Phonics Curriculum Guidance Document

L.RF.1.3. Know and apply grade-level phonics and word analysis skills in decoding words.

L.RF.1.4. Read with sufficient accuracy and fluency to support comprehension.

L.WF.1.1. Demonstrate command of the conventions of writing

L.WF.1.2. Demonstrate command of the conventions of encoding and spelling common, regular, single-syllable words
